

DIY Toilet Paper Roll Craft

MammaPrada

WHAT YOU'LL NEED

Toilet paper rolls

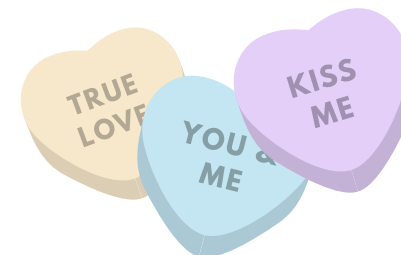

Paint

Decorations: stickers, markers, washi tape

Candy

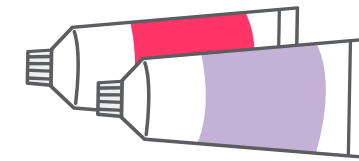

STEP 1

Close the gift box by pressing the cardboard down and inward on each end of the toilet paper roll. Push one side down, then the other on top of it to close the end of the tube. Repeat on the other side.

STEP 2

Open each end back up, there should be creases in the cardboard to guide you when it's time to close the box later. Then paint the paper roll

STEP 3

Before adding the candy inside, decorate your gift box with any stickers, mashy tape and markers. Add the candy and close it properly before giving it to your someone special.
